

Assistant/Associate/Professor of Clinical Radiology *Musculoskeletal Radiology Division*

JOB SUMMARY:

The Division of Musculoskeletal Radiology at UHealth, University of Miami Health System and Leonard Miller School of Medicine, is seeking a fellowship-trained candidate for a full-time faculty position at the level of Assistant, Associate, or Professor in the clinical educator track. The University offers a competitive salary relative to academia which is enhanced by an attractive benefits package.

The mission of the University of Miami Health System and Miller School of Medicine is to be a top-tier academic health system, which specifically serves South Florida, as accomplished by:

- Delivering high-quality, compassionate care and promoting the health of our community
- Leading life-changing discoveries and transforming care through innovative research,
- Educating the next generation of medical leaders,
- Nurturing diversity, equity, and inclusivity

Miami is one of the most diverse metropolitan areas in the United States. Qualified applicants of every ethnic origin, race, religion, and persuasion are encouraged to apply.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Interpret musculoskeletal imaging studies and perform musculoskeletal procedures.
- Supervise performance of technical personnel.
- Be part of the on-call radiology schedule.
- Exercise quality assurance as related to the practice of general radiology and musculoskeletal imaging.
- Provide musculoskeletal imaging consultation as requested.
- Comfortable performing routine image guided interventions.
- Provide emergency patient care as required in the setting of a radiology practice.
- Staff off-site outpatient-imaging sites as requested by division director or Chair.
- Assume administrative responsibilities related to the practice of musculoskeletal radiology.

- Participate in teaching activities related to general radiology as required in:
 - Diagnostic Radiology and Nuclear Medicine residency training programs
 - Musculoskeletal Radiology Fellowship Program
 - Medical student education program
 - Technological radiology educational programs
 - Continuing medical education programs
- Become involved in clinical research activities.
- Serve on Departmental and University committees as requested by the Chair.

MINIMUM QUALIFICATIONS:

Competitive applicants will have completed at least 1 year of dedicated subspecialty fellowship training in Musculoskeletal Radiology.

Interested Candidates should submit their CV and cover letter of interest addressed to:
Alexander M. McKinney MD, Chair & Katie Page
Department of Radiology University of Miami Miller School of Medicine
