

Opportunities and expectations

- The FRS and FRS Foundation are committed to the education of Florida radiology residents and fellows. To that end, the following stipends were established to attend the FRS Annual Meeting: Meeting/hotel stipends, poster session participation, and resident/fellow oral radiation oncology (RO) lectures.
- The funds for these stipends have been donated by FRS and FRBMA members and industry supporters.
- **The FRS & FRS Foundation donors' expectations and the legal requirements of the FRS Foundation to function to its Mission is for stipend recipients of the Foundation grants to attend, as many lectures as possible, Saturday & Sunday general meeting educational sessions and appropriate breakout sessions.**

FRS Foundation Mission Statement

The FRS Educational Foundation exists to promote and advance the medical practice and science of radiology and radiation oncology through scholarships and grants to individuals in practice or training, sponsor radiology related research and to educate the public and medical community of advances in radiology science.

Stipend Details

The FRS provides a limited number of stipends to residents, fellows and medical physics residents who register and attend the meeting. **You must be a radiology resident, fellow or medical physics resident in a Florida program at the time of the annual meeting in order to be considered for this stipend.** Below are details of stipends and requirements:

\$150 Meeting/Hotel Stipend – First 40 residents or fellows who register and attend the meeting. Meeting/Hotel Stipend and Poster Stipends are determined after the meeting upon confirmation of meeting attendance, after completion of an attestation form of the attendance at educational sessions and submission of your hotel receipts and mailing address to lroger@edusymp.com.

If your residency program is located in the same city of where the meeting is held, you will not be eligible for a hotel stipend but are eligible for mileage and parking reimbursement. Submit your receipts for mileage and parking to the FRS for reimbursement.

\$100 poster stipend – First 60 residents who submit an abstract. Stipends are conditional on the first author attending the meeting, hanging and presenting their printed poster during the Poster Session on Saturday, July 12, 2025 from 1:15 pm – 1:30 pm and completion of an attestation form of the attendance at educational sessions. Upon confirmation, staff will request for you to submit your mailing address to lroger@edusymp.com.

RO resident or fellow oral lectures at the RO breakout session – up to 10 residents or fellows may receive the \$100 stipend (same as the poster session stipend). Confirmation of the lecture given and completion of an attestation form **of the attendance at educational sessions are required to receive the stipend.**

Medical Student Stipends

\$100 poster stipend – First 10 medical students who submit an abstract. Stipends are conditional on the first author attending the meeting, hanging and presenting their printed poster during the meeting, and having completed an attestation form of educational sessions participation. Upon confirmation, staff will request for you to submit your mailing address to: lroger@edusymp.com.

Physics Graduate Student Stipends

\$100 poster stipend – First 5 graduate students who submit an abstract. Stipends are conditional on the first author attending the meeting, hanging and presenting their printed poster during the meeting, and having completed an attestation form of educational sessions participation. Upon confirmation, staff will request for you to submit your mailing address to: lroger@edusymp.com.
